

## Volleyball Games

Cascade High School

Everett High School

Jackson High School

Volleyball Games are held at the high schools. Volleyball is a fall sport with regular-season games starting in early September and running through early November.

Depending on the school and the year, there could be 1, 2 or 3 teams; freshman, junior varsity and varsity. Each school will play its home contests on the same date. Freshman and junior varsity games go first and varsity games are last. Freshman and junior varsity game times will vary. However, the varsity game usually begins at 7:15pm.
