MAKE SURE YOU LIST ALTERNATE CLASS CHOICES!

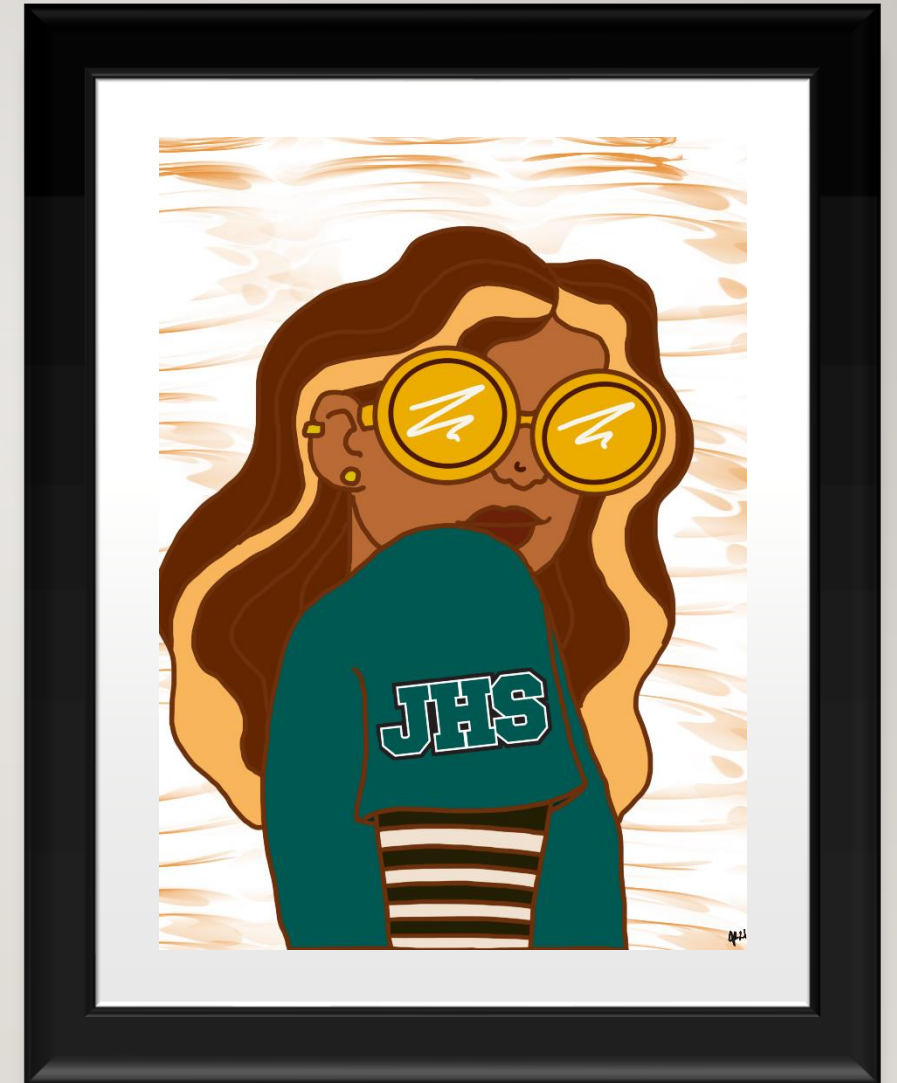

- Mathematically, it is impossible for all students to get their #1 course selections.
- You will end up with one or more alternate course choices in your schedule.
- To protect your schedule, write in **at least** 4–6 alternate class choices.

UNIQUE SCHEDULING FAQ'S

- **Summer School:** \$350 / 0.5 credit.
 - Students will register on the EPS district website.
- **Online external programs**
 - Students/families must complete the external course approval process (available at the JHS counseling page)

JHS does not recommend any online or abbreviated mathematics program.

STUDENTS MUST FINISH ALL COURSEWORK PRIOR TO THE **END OF AUGUST** TO BE ELIGIBLE TO ADVANCE TO THE NEXT COURSE.

FINDING THE ANSWERS...

FIRST = Look for the answer in the course catalog.

If the answer is not there...

- ✓ JHS Counseling Website is a great resource
- ✓ Middle school teachers and counselors can answer questions.
