WHAT DOES SNO-ISLE TECH OFFER?

High School Credits

Students spend half of their day at Sno-Isle TECH, therefore can earn 3 high school credits.

College Credits

Many of our programs offer dual college credit that you can earn simultaneously (for free!).

Industry Certifications

Many of our programs offer industry certs & internships to get you a head start in your career!

Equivalency Credits

Many of our programs offer high school equivalency credits as part of the 3 credits earned!

We can't wait to see you!

PLAN FOR HIGH SCHOOL

Plan for your high school career by exploring the different programs that Sno-Isle TECH has to offer and see what pre-requisites you may need to take before you apply during your sophomore or junior year!

HIGH SCHOOL AND BEYOND

Begin the process for your high school and beyond plan!

TOUR THE CAMPUS

Have the chance to tour our campus and see the 25 programs that Sno-Isle TECH has to offer within 5 different career paths! Also learn about Summer School opportunities!

MEET THE INSTRUCTORS

Meet the instructors and ask any questions that you may have regarding the program. Did you know that all of our instructors came directly from the industry that they now teach? We can't thank them enough!

Did you know that...

**SNO-ISLE TECH IS
FREE TO ATTEND?**

This is an incredible opportunity to see our programs first hand and decide which ones may be of interest to you once you can apply during your Sophomore & Junior year! Also learn about Summer School opportunities! Join us for an Open House Tuesday, Feb. 24th 5:30 PM-7:30 PM, open to our 8th graders that are soon to be incoming freshman so they can begin high school planning. We can't wait to show you around!
