We acknowledge the original inhabitants of this area, the sduhubš* people, and their successors, the Tulalip Tribes. Since time immemorial, they have hunted, fished, gathered on, and taken care of these lands and waters. We respect their sovereignty, their right to self-determination, and honor their sacred spiritual connection with the land and water. In Everett Public Schools, we strive to create equitable outcomes and build a culture of inclusive belonging for all students, teachers, staff, and community.
