We acknowledge the original inhabitants of this area, the sduhubš* people, and their successors, the Tulalip Tribes. Since time immemorial, they have hunted, fished, gathered on, and taken care of these lands and waters. We respect their sovereignty, their right to self-determination, and honor their sacred spiritual connection with the land and water. In Everett Public Schools, we strive to create equitable outcomes and build a culture of inclusive belonging for all students, teachers, staff, and community.

- Congratulations to our March CHAMPS winners: Yasmeyn B, Jhoan C, Christian G, Jonathan M. Oscar M, Maryleen N, and Daniel U. These students were elected by staff members because they exhibited one or more of our CHAMPS characteristics: Character, Heart, Attitude, Mindset, Perseverance, and Strength. You can read their comments on the CHAMPS bulletin board by the A building front doors.
