_____ *Over the weekend, Gateway Middle School's Concert and Symphonic Choirs competed at the Music in the Parks Festival. Symphonic Choir earned first place, while Concert Choir received second place in their division.*

In addition to their musical success, the choirs were honored with the festival's top character award: the Esprit de Corps Award. This award is given to the group that best demonstrates respect, kindness, and positive spirit throughout the entire event. Only one group receives this recognition out of all attending schools.

Following their performances, students celebrated their accomplishments with a trip to Wild Waves. Congratulations to the Gateway Choirs for their outstanding achievements both on and off the stage.

_____ *It's OK to Not Be OK Today is today's theme for Mental Health Awareness. We hope after a week of talking about mental health, that you know it is OK to not be OK in your mental health. You also know how to keep your mind and thoughts healthy and how to increase your resilience. But most of all, we hope you remember how many people can help you, and whether it's a trusted adult, or a hotline like 211, you need to reach out when you're not OK.*

_____ *Bullying based on race, gender identity, or any other personal trait is never okay. We are a no-bullying school. If you experience or witness bullying, please speak up and let a teacher or staff member know right away. Your voice matters!*

_____ *Study Club will meet today after school in the Library. Musical Theatre meets in room 401. Remember to sign up for the Activity Bus on the list in the Commons if you need a ride home.*

_____ *Attention GIVE club, today's meeting has been canceled, no GIVE club today.*

_____ *Fandom club meets tomorrow after school. Please arrange transportation in advance. Study club is cancelled tomorrow.*

_____ *Attention future Cascade freshmen: If you love basketball, consider registering for the Cascade Summer Boys Basketball Program.
