

Good morning, Gateway! Today is Friday, September 13, 2024.

_____ Cell phones should be turned off and put away during school hours, unless allowed by a teacher for academic purposes. Stay focused on learning and avoid distractions!

_____ Students, please do not open the doors for visitors. All visitors need to go to the front of the school and ring the doorbell before they enter the building. This is very important to maintain a safe environment on our campus.

_____ Attention Gateway Athletes: Today is the deadline for registration for Cross Country and Softball; if you do not have your registration complete by 1:30 pm, you will be removed from the roster.

_____ The deadline for Football registration is Monday. The Football Gear Store closes on Saturday, so you only have one more day to place your order. Use the link on the Gateway website under Students/Athletics/Football if you're interested in ordering Gateway Football gear.

_____ Please remember that there is no activity bus on Friday. Athletes must go home when school is dismissed and return for practice at 3 pm if your coach is having practice today.

_____ Yearbooks are on sale now through September 24. You can purchase them online or bring \$30 cash or check to the Office. Reserve your yearbook today!

_____ Do you want to learn how to knit and crochet? Are you interested in creating handmade items for people in need? Join us at Fiber Arts Club! We will meet on Mondays from 3-4pm in Mrs. Almquist's room (B-122). All experience levels are welcome!

_____ Who do you want to see this weekend at the Apple Cup - Huskies or Cougs - can't wait to see all the purple and crimson today.

_____ On September 13th the world celebrates the birthday of the Roald Dahl illustrious author of so many unforgettable works of fiction, including The BFG, The Twits, Charlie and the Chocolate Factory, Fantastic Mr Fox, and Matilda. Just the mention of Dahl's name invokes memories of the magical worlds he lovingly sculpted for us. Worlds that at first glance seem eccentric and silly, but in reality shaped the lives of many through the profound lessons and messages layered throughout the stories. In his honor, the joke of the week will be one of his jokes: How do bees get to school? By school buzz?

Remember, Students, to be kind and respectful – it's the GATEWay!
