### Football Highlights

10/1/2021

The Pack has been off to a decent start this season. Our Freshman Team is currently undefeated at 4-0 and looks forward to keep that momentum going. Coach Ryan Simmons and his staff have done a fabulous job of getting the Freshman dialed in each week. Our JV team is currently sitting at 1-3 with a big win over Everett 32-2. Coach Tyler Watson and his staff have been working hard to get our players more fundamentally sound which will help them continue to grow and get better. The varsity team started off slow, losing their first two games but have won their past two games over Inglemoor and Shorewood which were both away games. Our Varsity program is currently 2-2 and plays in its biggest game of the season on Friday at 5pm vs. Kamiak. Thank you for supporting The Pack. Go Wolves!!!

10/29/2021

As the season comes to an end, I am thankful that we were able to play our entire schedule safely without any major Covid issues. We started off the season with high hopes and expectations, and showed improvement and growth each week, mostly on the little things. We have a lot of work to do, we have a long journey ahead of us but the kids that are still standing together As One. Our challenge to the seniors every year is to leave the program better than how they inherited it and this senior class did just that. I cannot thank our players enough for all of their hard work and dedication to The Pack. Thank you to our seniors for everything. Our goal is to finish our season on a high note, we will fight until the very end. Go Wolves!!! Coach Siddick

11/10/2021

JHS football started off the season with high hopes and expectations, and showed improvement and growth each week, mostly on the little things and had two huge victories. Coach Siddick cannot thank his players enough for all of their hard work and dedication to The Pack.

### Boys Tennis Highlights

10/1/2021

The JV boys tennis team is currently 4 wins and 6 losses so far this season. The JV is made up of 9<sup>th</sup> and 10<sup>th</sup> graders only and are playing a very good schedule and competing hard and hopefully will be able to do well in the last 3 weeks of the season.

The boys varsity tennis record is currently 5 wins and 6 losses so far this season. The boys have a difficult schedule this year by adding King-Co teams and they have done very well. All the losses are 3 wins to 4 losses this season so some very close matches but just ending up on the losing end of many of those matches this season.

Henry Park, 10<sup>th</sup> grade, and Ben Lee, 9<sup>th</sup> grade, have been exceptional this season and are the top 2 players in the league so far this season. Looking forward to great things from these two players as they progress into playoffs. Seniors on this year's team are Darren Davis, Jaxson Powell, Yohan Lee and Cameron Herbison. We have 6 more matches and look forward to finishing strong this year.

10/29/2021

A huge congratulations to freshman Ben Lee and sophomore Henry Park who placed 1<sup>st</sup> and 2<sup>nd</sup> respectively at Districts. This year's girls' basketball program has had some ups and downs. We've battled Covid, injuries, and changes to game schedules and different protocols. Additional members include Avery Hare, Hannah Mack, Giselle Dogan, Arielle Leavens, Sophia Giordano, Paige Swander, Quinlyn McAuliffe, and Charlee Yousef. Abby Grayson, Riley Mekanik and Emma Merwin have all had solid senior seasons on both ends of the court. We hope that everyone can get out and catch a game before the season ends. Go Twolves! ### Cheer Highlights

2/23/2022

The Jackson cheer team has been busy supporting the girls and boys basketball teams and excited for the next game! They performed at halftime during the Jackson vs Glacier peak boys varsity basketball game. Cheer tryouts for the 2022-2023 cheer team is coming this April.

6/7/2022

The Jackson Cheer Team is a group of hard-working, dedicated, talented, and intelligent individuals. They train, practice and perform year round. They are not only strong talented athletes but also school leaders and ambassadors of Jackson as well as the community. The cheer team attended and performed at all home and away football games in the fall. They thoroughly enjoyed performing at halftime at the Homecoming Football game and supporting the school. All cheerleaders make the varsity football team good luck locker signs for all home games.

It was a pleasure hosting Junior Football Cheer Camp for the young up and coming cheerleaders of the community. JHS cheer taught a dance routine, cheers, jumps, kicks, stunting, and leadership to these young individuals. The Junior Cheerleaders performed at halftime with the current cheer team at a Jackson football game.

The cheer team trained and practiced many times a week all year long while learning an elite competition routine and taking Jackson Cheer to the next level. They competed in the WSCCA Jungle Jam cheer competition in the Game Day division at Auburn Mountainview High School.

Jackson Cheer loves helping and volunteering in various community events. They volunteered at the Gold Creek Church food bank during the holidays. The cheerleaders will be volunteering at the 5K Girls on the Run in Snohomish County. They will lead the warm-ups for the runners, cheer the runners on, and hand out awards.

The Jackson Cheer Team cheers and supports all athletic teams at Jackson HS including varsity football, boys/girls basketball, girls volleyball, boys/girls soccer, boys/girls tennis, boys/girls swim, boys/girls wrestling, bowling, boys/girls tennis, boys/girls golf, track, cross-country, softball and baseball.

The Cheer Team regularly leads the school at all pep-assemblies and performs various routines and cheers. We are honored and happy to announce that the cheer team has attained the Distinguished Award by achieving high standard grades throughout the entire year. This is a fantastic achievement.

They also cheered and performed at all home girls' and boys' basketball games. It was a pleasure to perform at half-time as well. All cheerleaders use their creativity and artistic skills by making every varsity team member a good luck locker sign for all home games. The cheer team travelled with the boys basketball team to the state tournament to support and cheer for the boys basketball team.

Varsity Cheerleading tryouts were in May and there are 16 new cheerleaders. The process to try out for cheer is a meticulous process where they train for 4 weeks and attend 6 pre-tryout learning clinics to learn a high energy dance routine, fight song, 2 cheers, jumps, kicks, stunting, tumbling and leadership skills. There is also an application process including a personal essay, personal interviews, teacher recommendations, grade checks, and a panel of judges on the final tryout day. Congratulations to the 2022-2023 Jackson Cheerleaders!! We have started practices and already looking forward to the new season for 2022-2023 JHS spirit and leadership. One of our goals for next year it to attend the JAMZ National Cheer Competition in Las Vegas, NV. The new cheer team will be performing at Gateway Middle School for the end of year celebration. Our senior cheerleader and Co-captain Alexis Jolivette signed to join the Central Washington University Cheer Team in Ellensburg, WA. Congratulations Alexis!

The Jackson Cheer Team is honored to attend and help at the JHS Graduation Ceremony on June 18<sup>th</sup> at The Angel of the Winds Arena. We wish you all a happy and healthy summer and look forward to next year!
