

Jackson High School Athletics

November Athletes of the Month

Celina Hernandez-Murillo, 11th | Swim, Varsity

Celina Hernandez-Murillo is an athlete who shows up daily with a positive attitude and a friendly word to her teammates. She is a leader for the team and has taken her captain duties and fulfilled them with organization and positivity. The Jackson Swim and Dive Teams are better because of Celina's participation and leadership.

Ethan Holmes, 11th | Cross Country, Varsity

Ethan Holmes had a great cross country season.

Running his second season of cross country he made amazing progress. He was the #1 runner for our cross country team every race. Finished 4th place at the WESCO championships, 7th place at the regional championships and 12th at State. Named to All Wesco 1st team and named ALL State by Coaches association! Ethan improved his 5k PR by a minute and a half in one season!

Jackson High School Athletics

October Athletes of the Month

Ravenna Coleman, 11th | Volleyball, Varsity

I would like to nominate Ravenna Coleman. As a competitor in Wesco 4A, Ravenna is #3 kills and kills per set - 137 and 2.9 per set. She is also #3 in hitting % - .292

As a teammate, Ravenna is an example of fantastic sportsmanship. She never loses her cool, maintaining a calm demeanor, while leading by example. She is exceptionally coachable, taking feedback and readily implementing it.

Ravenna works without complain, regardless of the difficulty of a practice or drill. She has great integrity, not only a compliment to her, but her parents who instill that in her.

She does all of this while maintaining strong academics. She is a fantastic candidate for athlete of the month.

Tyler Lykken, 11th | Football, Varsity

I would like to nominate Tyler Lykken for Athlete of The Month. Tyler has rushed for 580 yards this season and has been a standout player for us of Friday nights. Not only is Tyler a talented player, but he is also a great teammate and sportsman. Tyler demonstrates his sportsmanship by helping players from the other team get off the ground after he has tackled them or by telling them good job after they have tackled him. He works hard at practice and never takes plays off. The best part is that Tyler has also worked hard on his grades this semester which has been something we continue work on with our players.

Jackson High School Athletics

September Athletes of the Month

William Pool, 9th | Football, C-Team

Will has been the embodiment of what we ask of our student-athletes. He is one of the first to jump in on scout team when needed and gives 100% in every drill we run. He is willing to respectfully correct his teammates if they make a mistake and helps hold his teammates accountable. He was recognized as a captain for week 1 by the coaches due to his practice work ethic, his willingness to lead when others aren't looking, and his ability to put the "we" before the "me" in everything we do.

Aubrey Hale, 10th | Soccer, JV

This is Aubrey's 2nd year on the JV team and proves her commitment to her team day in and day out at training and in games. More specifically, we didn't have a Goal Keeper this Season and Aubrey has played in the 1st half of the soccer game for the first 6 games of the season. When others were timid to take on this role, Aubrey knew her team needed this position, so she stepped up and embraced the challenge without question. Aubrey is also excelling on the field as well in the 2nd half of games. She had to first goal of the season recently vs. Bothell High School.

Aubrey always brings a great attitude to training & games with a smile on her face. When she is not in the game, she is cheering on her teammates from the side encouraging them to the maximum. Future captain of the team for sure.
