

## STUDENT OF THE MONTH – JANUARY 2023

Jackson's January Student of the Month for Vocational Excellence is Abhinandan Basak. Abhi is an outstanding student, taking 11 AP courses while maintaining a high GPA. He is also a National Merit Scholar Semi-Finalist. He is a talented musician, playing in our Honors Wind and Jazz Ensemble Band. He is a key member of Team 2910, our Robotics team that finished third place in the world last year. His Robotics Coach said, "He is a student I trust to compile, analyze, and report on our team's performance as well as all teams that we compete against. He leads the process of collecting real-time data so that we are making strategy decisions based on the most recent and accurate information possible. At the FIRST Championship held in Houston, Texas, Team 2910 made excellent strategic decisions, cementing their place as the number one ranked team in the Pacific Northwest District of over 120 teams."
