

ROBOTICS COMPETITION 2015

JHS FIRST Robotics Team Jack In The Bot built a robot that stacks bins in a competition called Recycle Rush. JHS's FIRST Robotics team was awarded the Creativity Award for the creative design of our robot: link to video of game description <https://youtu.be/W6UYFKNGHJ8>

Our FIRST Robotics team at Jackson did very well at the PNW District Glacier Peak competition on March 8 & 9. We finished in 4th place on our alliance making it all the way to semi-finals! Link to our semi finals match: https://youtu.be/QEe_gEI0J3g?list=PLwES-SbpsnxzjDzK6oM1SbYQeYsOEKJoS

Landon Spaw was recognized as a Dean's List Finalist qualifying him to compete at the PNW Championship. The Dean's list award is given to a student member of a team that exhibits outstanding leadership on a team and is seen as an example for all FIRST Robotics team members. It is the highest honor a student on a FIRST Robotics team can earn.
