Working together for student potential

About us

The Everett School District Special Education PTSA (Parent Teacher Student Association) is a community of parents, staff and students who work together to enrich the learning environment and provide resources to students and their families through advocacy, information, training for educators and students receiving special education services.

Why join?

We cover **ALL** Everett School District schools who have students with disabilities and receive services. We are separate from local school PTAs. Funding goes toward supporting advocacy, information sharing, Special Education training and support.

How can you get involved?

1. Fill out our on-line Membership Packet:
<https://everettpedptsa.givebacks.com/store>.
2. We have monthly meetings for anyone to attend. We are governed by an annually-elected board of executive officers.
3. While we **always** welcome volunteers and meeting attendance, *it is not a requirement or expectation of PTSA membership.*

Thank you for your interest!
