

CWE Parking Lot Procedures

The safety of your student and all children at our school is our first priority.

CWE Parking Lot Procedures

No Left Turn into school entrance from 168th. Please join the line to turn right into the parking lot.

When using the “Kiss and Go” Lane for student drop-off and pick-up:

- Stay in your car.
- Have your student ready to leave the car before you get to the curb.
- Have your student exit and enter on the right-hand-side of the car.
- Please pull all the way forward to the designated drop-off/pick-up area.

Please remember:

- When crossing 168th St SE, use the designated crosswalk and school entrance.
- Students will be assigned a designated area for line up in the undercover area.
- Supervision begins at 8:50am in the undercover area but bringing your child closer to 9:10am would be helpful. There is also adult supervision at the front of the school to ensure that all students get to their designated gathering area safely.
